WEEK OF JANUARY 1-7, 2017
Hope for 2017

As we begin this new year, talk as a family about how you can pursue Jesus together! We're going to focus specifically on **Plans, Prayer, and Pursuits**.

DAY 1

Plans: How can we die to our calendars and plan to live for Jesus? Plan to make room for Jesus in your New Year Resolutions for 2017! Commit to coming together as a family at least once a week. This week, read Psalm 78:1-8. Ask your children, "What does this passage say we should do as a family?"

DAY 2

Prayer: How can our family grow in prayer this year? Read Ephesians 3:14-21 together. Talk about how you can prioritize prayer each day. Here's a link to a helpful resource that will give you some ideas on how to teach your children to pray daily: [Click Here](#)

DAY 3

Pursuits: How can our family learn to pursue what's really most important? Read Romans 14:19 together. Put a white board or sheets of paper on the refrigerator (or any place that are commonly seen) and commit to writing a different verse or passage there each month in 2017. Resolve to memorize those verses together! As you do this as a family, let it be a reminder that your family is choosing to pursue God above everything else. Consider beginning with Psalm 119:11!
