

WEEK OF FEBRUARY 12-18, 2017

“Does the Church Really Matter?”

MONDAY

-  **Read** – Colossians 3:12
-  **Do** – Did you know that CFBC is actively involved in serving our community? Check out this video and see some ways we do this: <http://cfbconline.com/memphisunionmission>. Discuss giving up eating out for one meal and donating the money you would have spent to provide for someone in need. Through Baptist Global Response, you can actually donate specific needs such as a cow or goat to families in need! Click [here](#) to see a gift catalog.
-  **Pray** – Ask God to bless and multiply your gift to a family in need so that they will be saved!

TUESDAY

-  **Read** – Hebrews 10:24-25
-  **Do** – Give every person a tall glass of water and a spoon. Stir the water with the spoon until you create a whirlpool! Now, remove the spoon and see whose whirlpool lasts the longest. God created the church so that we can “stir one another up” to love and good deeds. We all need to be stirred up, because if left alone, we will settle for standing still.
-  **Pray** – Thank God for the people in your life who stir you up!

WEDNESDAY

-  **Read** – Acts 1:8
-  **Do** – Watch this video recap of four CFBC members’ recent mission trip to India to minister to the Lingayat people. God’s church makes an impact in the world, and there is no greater mission we have than to spread the Gospel to people who don’t know Jesus!
-  **Pray** – Pray for the Lingayat people of India to know Jesus!

THURSDAY

-  **Read** – Galatians 5:13
-  **Do** – We are called to (and blessed to!) take an active role in the church. How can your family love God’s church by serving together? Pray together about how you can get involved! Maybe you can serve together as greeters, parking lot volunteers, or ushers! For more information, email Les Helton at LHelton@fbccoll.org. If you want more ideas of how your family can serve together, email Abbey at AHammond@fbccoll.org.
-  **Pray** – Ask God how your family can love God’s church better by actively serving.

FRIDAY

-  **Read** – Matthew 28:18-20
-  **Do** – This weekend is Disciple Now! If you got a globe at the end of the service on Sunday, pray for that person as a family. If you’d like, use the DNow prayer guide (found in your bulletin Sunday or attached to this email).
-  **Pray** – Pray that God will save students and use them to live lives focused on the mission of the Gospel!
