WEEK OF MARCH 5-11, 2017
“Live with a fearless faith!”

MONDAY

-  **Read** – Numbers 13:25-14:10
-  **Do** – Play a game of 20 Questions. If you don’t ask the right questions, you can’t win the game! In this passage, the spies were asking the wrong question! They were asking, “Can we do it?” instead of “What did God say?” Faith means believing what God says no matter what the situation looks like.
-  **Pray** – Ask God to give you fearless faith.

TUESDAY

-  **Read** – Numbers 14:20-25
-  **Do** – Parents, do you have any regrets? The spies might have said, “I regret not having faith in God,” because their lack of faith led to a big consequence. As a family, don’t have this regret! What specific action can your family take to show that your faith in God is more important than your comfort?
-  **Pray** – Ask God to show your family how you can live out a fearless faith.

WEDNESDAY

-  **Read** – Hebrews 11:1
-  **Do** – What is faith? Take several easily recognizable items (such as a banana, a hairdryer, or a video game control) and place them under a sheet. Have your child feel each item through the sheet and guess what it is. Even though they can’t see the items, they can be certain of what they are. Even though we can’t see God, we can be certain of His promises!
-  **Pray** – Thank God that we can be 100% certain of His promises.

THURSDAY

-  **Read** – Hebrews 11:6, James 1:22-25
-  **Do** – Take a kitchen chair and explain to your child that you believe that chair can hold you up. Now, sit down in the chair. Explain that your faith in the chair is what led you to sit in it. True faith isn’t just believing God—that belief leads to action!
-  **Pray** – Pray that God will show you concrete ways to let your belief in God lead to action.

FRIDAY

-  **Read** – Ephesians 2:8-9, Hebrews 11:1-2
-  **Do** – The first step of faith is believing in Jesus as THE Way, THE Truth, and THE Life. Does your child know Jesus? Share the Gospel with your child, and share a time that your faith in God impacted your life.
-  **Pray** – Pray that God will draw your children to salvation. Pray that God will continue to bring revival to CFBC!
