MINISTRY OPPORTUNITIES & RESOURCES

**COLLIERVILLE FIRST
BAPTIST CHURCH
2023- 2024**

Women on Mission

Welcome to Women on Mission at CFBC!

One of our core values is to be a gospel-driven church. We desire to intentionally share Jesus through our relationships with our neighbors and the nations. Women on Mission is vital in acting out that core value.

Our mission groups are designed to equip the saints to do the work of the ministry through prayer, Bible study, and missions. We offer a wide array of mission opportunities to meet the needs in our local community. We want to encourage and spur one another on to good works for the sake of the Kingdom of God. We know that we have a limit to what we can do as a small group, but we believe through our partnership with one another and the organizations we have chosen to allocate our resources towards, we can help reach our neighbors and the nations with the gospel.” If you have a heart for serving the Lord, we can help you find, or start, an opportunity to serve alongside other faithful women.

Women on Mission is a division of the Woman’s Missionary Union.

The WMU describes Women on Mission® as “an organization for women, through which women pray for and give to missions, do missions, learn about missions, grow spiritually toward a missions lifestyle, and participate in the work of the church and the denomination.

Women on Mission is a missions discipleship group designed to equip adult women to become active disciples of Christ as they live on mission for Him.

Women on Mission members seek to live out missions through missions projects, ministries, prayer, giving, and Bible study. The purpose of the organization is to provide every person with the opportunity to hear and respond to the gospel.

Through Women on Mission, women:

- learn about missions around the world and in North America.
- pray for the nations to hear of God’s love and for the missionaries who serve Him.
- give to missions offerings and through the Cooperative Program, and do missions by sharing Christ with others.

The Baptist Collegiate Ministries of Memphis (BCMM) exists to mobilize Memphis students and churches to make mature, missional disciples of Jesus who become engaged members of a local church. As a campus-based ministry, BCMM exists as the mission arm of the local church to local college students. Women on Mission partners with Baptist Collegiate Ministries by providing lunch to students through the BCMM at their weekly "FLOW- Free Lunch on Wednesday" program. WOM sponsors study nights and helps with facility projects.

Their mission can be summarized in three words: Know, Grow, and Show. All their ministries exist to help college students in metro Memphis know Jesus, grow closer to Christ, and show the grace of God in Christ to their peers. In partnership with the local church, BCM's desire is to see a generation of Christ-following young adults faithfully following Jesus and boldly engaging the world with the gospel.

"God has given us an opportunity to interact with people from multiple countries who are Muslims, Hindus, Agnostic, and more. These students are hungry for hope and for purpose in life. The students and leaders have done a super job of relating to people who have had very little contact with the church or with Christians. We seek to intentionally developing relationships all throughout the University of Memphis: in the dorms, on campus, in the classroom, and the cafeteria. This allows us to show students the love, forgiveness, and joy that comes from knowing Christ."

- Jeff Jones, Campus Minister at the BCM.

WOM VOLUNTEER OPPORTUNITIES:

- Provide free lunch to students as an outreach (350 people on average).
- Organizing and partnering in mission trips.
- Assist in providing meals for special events or groups.

DONATIONS/NEEDS:

We need churches and individuals to include the BCMM in their monthly budgets so that we can pay interns and staff to establish new BCM work on Memphis campuses: ISTCC (approximately 10,000 students enrolled), CBU (23% of students claim "Baptist" as religious preference), Rhodes (No Baptist work on campus), and others (Crichton, Lemoyne-Owen, etc).

We need churches, businesses, and individuals to support mission experiences for our students through financial gifts, prayer, and opportunities to share experiences and encourage student participants.
